

Great Coverage Close to Home

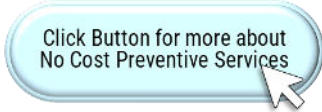

Network Health offers access to high-quality health care providers, giving members convenient access to needed care close to home.

- More than 2,900 Personal Doctors
- More than 20,000 specialists
- More than 70 hospitals
- More than 2,500 ancillary services providers

Preventive Services

To help you live the healthiest life possible, Network Health offers preventive services at no cost to you. Your annual wellness visit, which consists of a general review of your health and well-being, is considered preventive and is covered by Network Health at no charge when you visit a doctor within our provider network.

WellnessWays is a newer wellness program offered by Network Health in partnership with WebMD®. You will receive prepaid Visa® gift cards for completing activities that support a healthy lifestyle, up to \$250 for both employee and spouse per year. Here are some of the wellness activities that can be completed for rewards.

- Volunteering
- Sports League Participation
- CPR/First Aid Certification
- Preventive Screenings
- Blood Donation
- Preventive Vaccinations

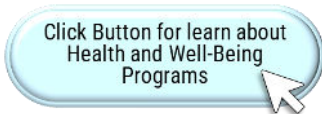

Network Health has partnered with **Wellbeats** to bring virtual fitness to the comfort of your own home. Wellbeats delivers fitness, nutrition and mindfulness classes, programs and fitness assessment anywhere, anytime through their mobile app and web portal. Partnering with Wellbeats allows members to improve their health and wellness.

Health and Well-Being Programs

Your benefits include access to over-the-phone health coaching at no cost to you. Whether you're dealing with an unexpected health issue, living with a chronic disease, or simply seeking advice about making healthy lifestyle changes, we can help put you in control of your health and well-being.
